

2023 IMPACT REPORT

BOARD OF DIRECTORS

Joshua Pierce, Chair

Manger JD Consults

Christopher Bon Durant, Vice Chair

House Manager, Bon Durant Manor

To What End ?

What does Fallen Justice do?

OPERATION 261

Entrepreneurship program creating hope and nurturing positive change necessary for recidivism rate reduction.

CONSCIOUS CHOICES

Offering guidance and care to individuals to help them navigate the challenges of everyday life.

STONES

Helping lay proper foundations by assisting with stable housing, job placement, and educational support.

In 2024, Fallen Justice's Board of Directors is excited to chart a path toward even greater impact. Our organization's unwavering commitment to social justice fuels our anticipation for the year ahead. The collective passion of our dedicated team pulses through every decision, igniting a flame of purpose. As we reflect on past achievements, we envision a future where our impact expands exponentially. Together, we stand united, driven by a shared vision of a world where justice prevails.

Sincerely,

Joshua Pierce
Chairman of the Board of Directors

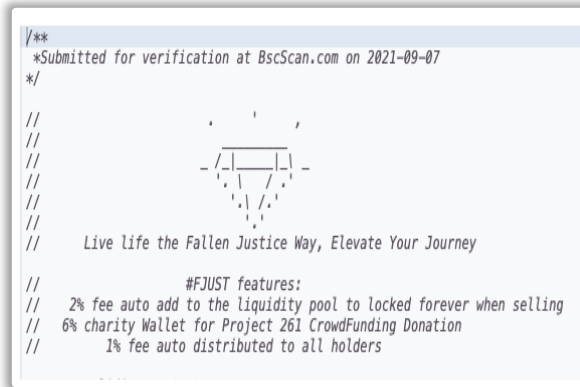

Operation 261 Update

BJA's FY 2023 FINALIST

The Office of Justice Programs' (OJP) Bureau of Justice Assistance (BJA) selected Fallen Justice as one of 15 finalists eligible to receive a \$2M grant award for its Second Chance Act Community-Based Reentry Program

Operation 261. Of the 145 applications that were received under this solicitation we feel honored to know our program has a viable impact on the communities we serve and are motivated more than ever to expand our services. Our current program participants are driven to see their entrepreneurship goals come true and are working daily towards achieving their dreams.
